2006 Reunion PowerPoint Show

Fellow Classmates:

For our 45-Year Reunion in October of 2006, Classmate Bobbi Ulrich put together a beautiful PowerPoint show with hundreds of memories of our high school days. This show is 534 Megabytes of pictures and music from those "Happy Days" of our high school years.

Remember When...at SMN...Pep Club, Football, Basketball, Track...drama and musicals...and many more great memories can be yours.

You saw it at the 2006 Reunion, or if you weren't there... Now you can get your own copy.

Just print and fill out the order form below and mail it to Bobbi with your payment of \$10 which includes shipping. After expenses, the money will be donated to our class fund for use at the next Class of 1961 50-Year Reunion in 2011.

Note: You must have Microsoft PowerPoint on your computer to play this show, or you can download a free PowerPoint player from the Microsoft web site.
